

Closing the Gap

Lanza Language Seminars

Goals

Give participants the tools necessary to begin to speak English or Spanish with confidence.

Provide an environment in which participants feel comfortable and supported and, with help from the instructor, begin speaking English or Spanish.

The participants will:

- ◆ speak English or Spanish utilizing proper pronunciation and grammar with the help of the instructor
- ◆ be able to know what to do and what to say when they don't understand
- ◆ be able to communicate comfortably with their Spanish-speaking or English-speaking colleagues and guests

Closing the Gap

Lanza Language Seminars

Seminars are not just lectures: they are powerful, intensive workshops with long-term learning effects. A lively, interactive environment challenges every student to participate and, with the instructor's help, begin speaking Spanish or English. Seminar attendees receive the knowledge and tools that will allow them to express themselves, and develop the confidence necessary to continue using Spanish or English in their work context.

Seminar packages range from a minimum of two hours to a maximum of eight hours per day of instruction; up to 16 hours of instruction over two days. Included with all seminar packages is a customized booklet for each attendee, containing all the information covered in the seminar as well as tools for maintaining and continuing their new language skills.
